

## Introducing the Qua's Casino Royale Collection

**SINGAPORE – September 1, 2009** – Brex International, maker of fine lacquer ware brand **Qua**, announced today the addition of new and unique ornamental pieces to its elegant tabletop collections.

To celebrate a new chapter in Singapore's history with the arrival of the integrated resorts, Qua is excited to introduce the 'Casino Royale Collection' for your pleasure. This one of a kind lacquerware collection features exquisite items handcrafted in designs inspired by the glitz and glamour of the casinos.

The collection will be appreciated as a gift by individuals/corporates or to project elegance into any home.

**Qua's** Casino Royale Collection will debut in November 2009, at the Metro Paragon Christmas Bazaar. This lovely collection features a series of red and black lacquerware with mother of pearl inlaid gift items such as the trinket boxes, wineholders and Cocktail Coasters. They are perfect for the festive season and yet infused with a modern artistry that will last even after the occasion. These will also be great gifts for "casino themed" parties and events.

*Prices are from \$39 for trinket box and wineholder.*
