

The Lacquerware Company

Introducing the Tiffin Carrier Box...

Inspiration of the Peranakan Collection

Peranakans are Straits Chinese whose culture is influenced by a blend of Chinese and Malay cultures. Straits Chinese wares differ from the traditional types of wares made in China, in the style of the decorative. Peranakan wares are characterized by its baroque exuberance of decorative motifs and the most vivid and colorful designs. One recurring theme is the peony flower design, which is the inspiration of this Qua collection.

Qua products can be found in the following locations:

- 1) *Tangs Orchard, New Heritage department*
- 2) *Tangs Vivo, New Heritage department*

Retail Price for the Tiffin Carrier Box: \$300

About Brex International

Since 2002, Brex International has been the defining company of fine lacquerware from Asia. Since our inception, Brex's signature product range, Qua, have established a high level of trust with our customers and are also synonymous with exquisite design, grace and craftsmanship.
